As we, the members of the Class of '66, leave Jenner-Boswell High School we are taking a big step into a hustling bustling world. However, we will not be unprepared, because the administration has prepared us for this big moment in our lives. The 1966 Rex Collium has been likened unto stepping stones. Advancing from one grade to the next is a step. In between each major step there are many smaller stepping stones; parties, tests, teachers. We have recorded for you the steps we found major and minor, which leave us with many memories. Oncoming graduates—don't stumble—step.

Rex Collium

Many years ago, the Red Men
Roamed across these wooded hills,
Hunted deer within the forest;
Pitched their wigwams by the rills.

Then it was tradition tells us,
That a mighty Quintills Chief
Sent a message to his tribesmen
At the time of "Falling Leaf";

Telling them, that six Full Moons hence
He would hold a feast most rare.
When the mightiest of his warriors
Should receive his daughter fair.

At the time by him appointed,
Warriors came from far and near
To the hills where now stands Boswell
With our High School, grand and dear.

Here they raced and here they wrestled
All their skill and strength was tried;
And the mightiest man among them
Won the fair and dainty bride.

Ever since that famous marriage,
All the tribesmen of Quintills
Have proclaimed this little mountain
As, "The Monarch of the Hills."

—Charles A. Weed

Rex Collium, meaning the "King of the Mountain" or "Monarch of the Hills," was written in poetry form by Charles A. Weed, a former biology teacher at J.B. in 1927.

. . . And We Remember When . . .

as Freshmen we enjoyed our trip to Pittsburgh. Our class treasury started with Sophomore concessions, Junior magazine sales, and the Junior prom. There were also the successful Junior and Senior class plays to spur us on to other exciting events.

Our Senior year brought us many new experiences such as the witnessing of the walk in space with McDivitt and White in the Gemini II flight, a new principal, and two new elementary schools.

We were proud to hold the Class B Championship in football, and to win the Holiday Tournament in wrestling. Our class was represented in the Maple Queen contest, the oratorical contest, and at County and District band and chorus. Then came the most sentimental event of all - Graduation.

This was the year of the "Mod look" with granny dresses, go-go boots, wooden jewelry, long, straight hair with bangs (both boys and girls) and a taboo on white socks.

Our favorite songs were, Hang On Sloopy, I Hear A Symphony, Lovers' Concerto, Eve Of Destruction, Sound of Silence, Homeward Bound, Listen People, and I Confess.

This is the Class of '66. Our memories of past years are many.

OUR CLASS MOTTO—On the ladder of success, take one step at a time.

OUR CLASS FLOWER—White Carnation

OUR CLASS COLORS—Navy Blue and White

"We digest our lunch this way."

Remember the Christmas of 65 with that monumental tree in the hall? Or the memorable talent contest we enjoyed? These are a few of our favorite things sponsored by the Student Council under the direction of Mr. Charles Kerekes. Assembly programs were held, scholarships and awards given, halls monitored, and tutoring service rendered by these, the representative steps of J.B.

The members of the Junior High Student Council serve as trainees for the Senior High Student Council. Taking charge of hall monitors and devotions are steps they take in contribution to J. B. Looking in on one of the meetings, we might find a discussion concerning school dress, student conduct, or another current school problem.

The doll in front of the tree is our representative for the 1966 Maple Queen Contest. As fresh and sweet as the daisied gown she's wearing, she displayed outstanding talent on the Hammond, in a boogie-woogie rendition of Lady of Spain.

Donna also projects her talent into other phases of music; she has represented J.B. at all county, district, and regional choruses and is pianist for our chorus. Other activities include Tri-Hi-Y, National Honor Society, Junior Class Play, Rainbow Girls, and the Annual Organ Extravaganza in 1964 and '65.

Bright steps are in store, Donna, as a music major at Indiana, and thanks for making us proud to have you on our side.
